

Datasheet

# T50L Flexible Entry Level Thin Client

## T50L Flexible entry level thin client

- Citrix HDX certified
- Based on ARM Cortex A53 Quad core platform
- Support WOL
- Support 10/100/1000 LAN
- Support both Linux and Android
- Support Citrix HDX, RDP 10, VMware PCoIP, SPICE, VNC, HUAWEI HDP, RED HAT oVirt

## T50L specifications

we recommend TOS

Processor	Cortex A53 Quad core 64 bit 2.0 GHz
Available Operating System	TOS (customized LINUX with ZKD features) Android (Customized Android 7.1 Developing)
Protocols	RDP 10 RemoteFX Citrix HDX VMware PCoIP SPICE Red Hat oVirt VNC HUAWEI HDP
RAM (DDR3)	1G (2G <b>Optional</b> )
Storage (ROM)	4G EMMC
Port	VGA x 1 HDMI x 1
Resolution	VGA 1920x1080 @60Hz HDMI 1920x1080 @60Hz
Color Depth	32bit true color
LAN	x1 (10/100/1000Mbps Base-T Fast Ethernet, RJ-45)
WLAN	SDIO onboard 802.1x bgnAC WIFI with internal antenna ( <b>Optional</b> )
USB 2.0	x5
VESA	Support standard VESA ( <b>Optional</b> )
Line-out	x1 (1/8-inch mini-jack, 16-bit stereo)
Device	105mm*105mm*25mm
N.W.	0.15 kg
G.W.	0.33 kg
Adapter	5V 2A
Power Consumption	≤5w
Cooling	Fan-less Convection
Temperature	20% to 80 % condensing, 10% to 95% non-condensing
Management console	Business version (TCM) is free of charge Platinum version (TDM) is developing, will be charged by license/user
